

Pilgrim's Market Wine Tastings

Cinder Wines, Viognier Snake River Valley, ID: This is a brand new winery from southern Idaho. With intense aromas and a round mouth-filling texture this Viognier has honeysuckle and peaches on the nose with the flavors repeating the aromas but with a hint of grapefruit and a long, clean finish.

Marquis de Caceres, Dry White Spain: We've done it again! Another Summer white for \$10. Crisp and refreshing with melon, honeysuckle and citrus. Perfect as an aperitif or with grilled poultry or seafood.

*La Vieille Ferme, Cotes du Ventoux Rouge France:
Grenache, Syrah, Carignan, Cinsault
We love this easy drinking summer red. Bright, juicy raspberry fruit with subtle spice and the finish satisfying without being heavy.*
